

# troop63cobras.com

The Troop web site will be your best source of up to date information.

Check the calendar on the **Events Calendar** page. It is a Google calendar and it is public so it can be synched to your smart phone.

Scouts should check the **Knowledge of the Month** page for interesting scouting related articles, stories, anecdotes, etc. The Scoutmaster will periodically quiz the scouts on this information.

The **Resources** page contains forms and publications. You'll find permission slips that can be filled out and submitted. No need to worry and we certainly don't want a scout to miss out on a trip, simply print the PDF and fill it out, or fill it out then print, and send it in with your signature. The Resources page also contains links to important BSA forms and publications.

The home page contains a red information box. If emergency information or notification becomes necessary, it will appear here (unless, of course, as during hurricane Sandy, we don't have the means to do so).
